Enthusiastic about building immersive user experiences, I am familiar in frontend development with React.js. I have a solid understanding of Python and Java. My journey in software development has equipped me with the skills to translate complex requirements into elegant, efficient code. Let's connect and collaborate to bring innovative ideas to fruition in the ever-evolving world of technology

## Experience

- **Operations Team Member iSpace VITCC**    *Mar 2024- Present*
  - As an Operations Member, my role is to keep things running smoothly every day. I make sure tasks get done on time, help improve how we do things, and work with different teams to make sure everyone's on the same page. I pay close attention to details to make sure everything works as efficiently as possible.

## Education

- **Vellore Institute Of Technology, Chennai**    *2023- 2027*
  - Bachelor of Technology, Electronics and Communication Engineering
  - CGPA: 9.20
- **Alagar Public School, Thoothukudi**    *2018-2023*
  - Secured Top 5 rank in my School.
  - Scored 94.6%
